

mymfem::BaseObserver

```
classDiagram
    HeatObserver --|> mymfem::BaseObserver
```

A UML class diagram illustrating inheritance. The base class, `mymfem::BaseObserver`, is represented by a white rectangular box with a black border at the top. The derived class, `HeatObserver`, is represented by a gray rectangular box with a black border at the bottom. A solid blue arrow points vertically from the top of the `HeatObserver` box to the bottom of the `mymfem::BaseObserver` box, indicating that `HeatObserver` inherits from `mymfem::BaseObserver`.

HeatObserver
